

# TOP REASONS WHY

1

## **Product Design & Reliability**

Cargo King's decades of trailer design and building experience are the difference between a good product and a great product.

2

## **Support After Purchase**

We value the relationships we have with our customers and will stand behind you with an excellent warranty and solid service!

3

## **Confidence & Peace of Mind**

Here at Cargo King our focus is on safety and long-term satisfaction to our customers.

4

## **Quality Components**

We use high grade components and have invested in quality construction practices that exceed other brands on the market. Our long-term partnerships with experienced vendors add safety, value, and quality to each and every unit we build.

5

## **Superior Craftsmanship**

Let Cargo King's more than 25 years of experience be your trusted manufacturer for your next cargo or custom race trailer.
